**INDEPENDENT AUDITORS' REPORT ON AUDIT OF INTERIM FINANCIAL STATEMENTS**

To,  
The Board of Directors,  
Vyara Tiles Limited,  
Surat.

**Report on the Audit of the Special Purpose Interim Financial Statements**

**OPINION**

We have audited the accompanying Interim Financial Statements (the "Interim Financial Statements") of **Vyara Tiles Limited** ("the Company"), which comprise the Balance Sheet as at December 31, 2024, the Statement of Profit and Loss and Cash Flow Statement for the period then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid interim financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at Balance sheet date and its profit and its cash flows for the period ended on that date.

**BASIS FOR OPINION**

We conducted our audit of Interim Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Interim Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Interim Financial Statement.

**RESPONSIBILITY OF MANAGEMENT FOR THE INTERIM FINANCIAL STATEMENTS**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these interim financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and designing, implementing and maintaining of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Regd. Office : B - 604 and 605, Tirupati Plaza, Near Collector Office, Athwagate, Nanpura, Surat, Gujarat-395001

Other Offices At: Mumbai & Ahmedabad

E-mail : [info@ndjco.net](mailto:info@ndjco.net) | Website : [www.ndjco.net](http://www.ndjco.net) | Landline : +91-261-2299700

In preparing the interim financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the Company's financial reporting process.

#### **AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF INTERIM FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of the internal financial controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the interim financial statements, including the disclosures, and whether the interim financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the interim financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the interim financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the interim financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### RESTRICTION ON DISTRIBUTION AND USE

We draw attention to Note 2 to the Interim Financial Statements, which describes the purpose and basis of preparation. The Interim Financial Statements have been prepared by the Company for the purpose of preparation of the restated financial information as required under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 as amended from time to time ("ICDR Regulations") in relation to the proposed Initial Public Offer (IPO) of the Company. As a result, the interim financial statements may not be suitable for any other purpose. The Interim Financial Statements cannot be referred to or distributed or included in any offering document or used for any other purpose except with our prior consent in writing. Our report is intended solely for the purpose of preparation of interim financial statements and is not to be used, referred to or distributed for any other purpose without our prior written consent.

**Notes to the Interim Financial Statements**

(All amounts are in lakhs unless stated otherwise)

**Corporate Information & Significant Accounting Policies:**

**1 Corporate Information:**

Vyara Tiles Limited (Formerly known as Vyara Tiles Private Limited) is a public limited company incorporated in India under the Companies Act, 1956 (Now the Companies Act, 2013) on February 20, 1989, having its registered office at 903-904 Rajhans Montessa, Nr Le, Meridian Hotel Dumas Road, Magdalla, Surat, Gujarat, India, 395007. The Company is engaged in the business of manufacturing of Interlocking Paving Blocks and Cement Tiles and providing other allied services since its inception.

**2 Significant Accounting Policies:**

**a) Basis of Preparation of Financial Statements:**

The Interim Financial Statements of the Company comprise of the Balance Sheet of the Company as at 31 December 2024 the related Statements of Profit & Loss, the Statements of Cash Flows for period ended 31 December 2024 and the summary of significant accounting policies and other explanatory notes (hereinafter collectively referred to as "financial statements" / "Interim Financial Statements").

These Statements have been prepared by management specifically for the purpose of preparation of Restated Financial Information for the stub period ended December 31, 2024 in connection with the proposed initial public offer ("IPO") of equity shares on stock exchange, in accordance with the requirements of:

a) Section 26 of Part I of Chapter III of the Companies Act, 2013;

b) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the "SEBI ICDR Regulations") as issued by the Securities and Exchange Board of India ("SEBI" on 11th September 2018 as amended from time to time; and

c) Guidance Note on Reports in Company Prospectus (Revised 2019) as issued by the Institute of Chartered Accountants of India ("ICAI")

The Statements are presented in Indian Rupees "INR" and all values are stated as INR Lakhs, except when otherwise indicated.

The financial statements are prepared under the historical cost convention following the going concern concept and on accrual basis of accounting, in conformity with the accounting principles generally accepted in India and comply with the accounting standard referred to in Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rule, 2014 as amended. The Company has complied with the Accounting Standards notified under the Companies Act, 2013 as applicable.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of the services and the time between the provision of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities. All figures in the report have been rounded off to the nearest multiple of lakhs and previous year's figures have been regrouped, rearranged, reclassified and restated to compare with that of the current year's figures.

**Notes to the Interim Financial Statements**

(All amounts are in lakhs unless stated otherwise)

**b) Use of Estimates:**

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Examples of such estimates include provisions for doubtful receivables, employee benefits, provision for income taxes, accounting for contract costs expected to be incurred, the useful lives of depreciable fixed assets and provision for impairment. Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognized in the period in which the results are known / to materialize.

The Management has considered the possible effects, if any, that may result from the pandemic relating to future economic conditions in carrying amount of inventories, trade receivable, loans and advances etc.. In Developing the assumptions and estimate relating to the uncertainties at the Balance sheet date in relation to the recoverable amounts of these assets, the management has considered the global economic conditions prevailing as at the date of approval of the financial statement and has used the internal and external sources of information to the extent determined by it as relevant. The Actual outcome of these assumptions and estimates may vary in future.

**c) Inventories:**

Raw materials, finished goods, and other consumables are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Cost is determined based on FIFO method.

Cost of inventories comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

**d) Cash Flow Statement:**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**e) Net Profit or Loss for the period, Prior Period Items and Change in accounting Policies**

The net profit or loss for the period comprises profit or loss from ordinary activities and extraordinary items. Extraordinary items are disclosed on the face of the statement of profit and loss only if observed/happened in the current financial year.

Prior Period Items are disclosed on the face of the statement of profit and loss only if observed/happened in the current financial year. Nature of such items is disclosed by way of notes to the financial statements.

Change in accounting policies is disclosed by way of notes to the financial statements only if observed/happened in the current financial year.

**Notes to the Interim Financial Statements**

(All amounts are in lakhs unless stated otherwise)

**f) Revenue Recognition**

Revenue is recognized only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes sale of goods, services, adjusted for discounts (net).

Revenue from sale of services is recognized upon completion of the Services.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

Income, not specifically referred to otherwise, are accounted on accrual basis.

Expenses, not specifically referred to otherwise, considered payable are accounted on accrual basis

**g) Property, Plant & Equipments:**

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other current/non-current assets, as the case may be and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

The Company depreciates property, plant and equipment over their estimated useful lives as stated in Schedule II of the Companies Act, 2013 using the written down value method. Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end. In accordance with Schedule II, the Property, Plant & Equipments are shown at Residual Value where the life of assets exhausted as end of the current year.

**h) Cash and Cash Equivalents**

Cash and cash equivalents includes cash at banks and on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**i) Investments:**

Investments are classified into non-current investments and current investments based on intent of managements at the time of making the investments which are intended to be held for more than one year are classified as non-current and those which are intended to be held for less one year are classified as current investments. Long term investments are carried at cost less diminution in value wherever the decline is other than a temporary decline. Current investments are valued at the lower of cost or fair value. The cost of investments includes attributable acquisition charges such as brokerage, fees and duties.

**Notes to the Interim Financial Statements**

(All amounts are in lakhs unless stated otherwise)

**j) Employees' Benefits:**

Defined Contribution Plan:

Provident Fund is a defined contribution scheme and the contributions as required by the statute are charged to the Statement of Profit and Loss as incurred.

Further, In accordance with the Employee's Provident Fund and Miscellaneous Provisions Act, 1952, eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the employee provident fund organization (EPFO).

Defined Benefit Plan & Other Long-term Employee Benefits:

Gratuity liability under the payment of Gratuity Act has been provided in the books of accounts as per Actuarial Valuation as required under Accounting Standard -15 (Revised) issued by The Institute of Chartered Accountants of India.

Un-availed Leave Liability is a defined obligation and is not funded. The Company has not accounted the liability on accrual basis and instead accounted for on cash basis which is not as per AS 15 "Employees Benefit".

Short Term Employee Benefits:

The undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered by an employee is recognized during the period when the employee renders the services. Leave encashment is calculated on the basis of actual data of leaves available with the Company and paid in the following year.

**k) Borrowing costs:**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to statement of Profit and Loss.

**l) Segment Reporting:**

Business Segment:

The Business Segment has been considered as the primary segment. The Company's primary business segment are reflected based on principal business activities, the nature of service, the differing risks and returns, the organization structure and the internal financial reporting system. The Company's primary business comprises of manufacturing of Interlocking Paving Blocks, Cement Tiles and providing other allied services. Accordingly the primary business segment has been identified as manufacturing of tiles. Since, it is the only reportable segment as envisaged in Accounting Standard 17 'Segment Reporting', no separate information / disclosure is required to be made in the financial statements of the Company.

Geographical Segment:

The Company operates in one Geographical Segment namely "within India" and hence, no separate disclosure is required.

**m) Leases:**

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating leases. Lease rentals under operating leases are recognised in the statement of profit and loss as per terms as mutually decided by parties.

**Notes to the Interim Financial Statements**

(All amounts are in lakhs unless stated otherwise)

**n) Earning Per Share:**

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus share issues including changes effected prior to the approval of the financial statements by the Board of Directors.

**o) Taxation:**

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates.

Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognised if there is virtual certainty that sufficient future taxable income will be available to realize the same. Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

**p) Impairment of Assets:**

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired.

An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset other than goodwill is reversed if and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset other than goodwill is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**q) Provisions, Contingent Liabilities And Contingent Assets:**

A provision is recognized if, as a result of a past event, the company has a present legal obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date.

Contingent liability is disclosed as notes to financial statements where no reliable estimate can be made. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed in the financial statements.

**Notes to the Interim Financial Statements**

(All amounts are in lakhs unless stated otherwise)

**3 Share Capital**

**Authorised share capital**
